Our Story

- Our story begins with a vision for the perfect flooring—one that's strong and durable, yet beautifully designed.
- The result is a floor covering that reflects the incomparable beauty of nature, while offering durability to stand the test of time.
- Since 2002, American Chic has offered luxury vinyl tile, plank and carpet flooring products with unsurpassed quality and performance.
- Our broad selection of flooring solutions authentically mirrors the look of granite, marble, limestone and wood, as well as metallic surfaces and other unique finishes.

What Is Art From Earth?

Inspired by nature's canvas, American Chic premium vinyl flooring is carefully crafted from an artist's perspective. Our products deliver textural designs that authentically mirror the beauty of granite, marble, limestone, wood and metal as well as other nature-inspired finishes. They are a natural fit for spaces that demand good looks and high-performance.

American Chic

Brilliant Sustainability

We're committed to more than just a beautiful floor; we also understand the importance of preserving the beauty around us. From production and installation to daily use and disposal, our products are mindful of the environment.
